

### DESCRIPTION

The PSP 61-951 Corium Grain Sleeves and PSP 61-960 Corium Grain Sleeves are both cowhide leather welding sleeves, made of a premium quality 1.0 - 1.2 mm. The sleeve is for protection of the entire underarm and with an elasticated hem.

The PSP Corium Grain Sleeves 61-960 have, besides the elasticated hem, also buckle straps. The welding sleeves are on both arms wearable.

The welding sleeves can be perfectly combined with, among other things, the welding aprons PSP 61-150, 61-200 or 61-250 Corium Grain Apron and the welding pants PSP61-400 Corium Grain Pants.
