

**DESCRIPTION**

The PSP 80-100 Neck Gaiter treated with HeiQ Viroblock has been designed to protect the wearer through effective coverage of critical infection points. The PSP 80-100 uses HeiQ Viroblock, a Swiss Textile Technology which inhibits growth and persistence of microorganisms on the fabric surface.

This product is treated with a biocide to protect it from microbes and germs. Active ingredient: silver chloride.

This neck gaiter is designed to be comfortably worn for long durations. It is reusable and retains protection for up to 10 Washes (40°C/104°F Gentle Washes).

**CHARACTERISTICS**

- ▲ Manufactured using 97% Viscose / 3% Spandex
- ▲ Anti-Virus by Silver chloride treatment
- ▲ Comfortable & easy-to-fit due to stretch features
- ▲ Complete protection of critical infection points: mouth, nose and ears
- ▲ Provides 2-way protection (inner & outer)
- ▲ Beard-friendly
- ▲ Reusable & washable (10x washes)

**TECHNOLOGY & CERTIFICATIONS**

**CE** CAT I This technology combines HeiQ’s specially engineered antimicrobial silver technology and uses vesicle technology as a booster for effective and rapid efficacy on the treated fabrics. HeiQ Viroblock technology is EU REACH and US FIFRA compliant, OEKOTEX® certified, ZDHC and bluesign® homologized.

**WASHING INSTRUCTIONS**

 retains protection for up to 10 washes
