

SF 30-610 Siena

S3 safety boot + membrane

DESCRIPTION

The Safeet Siena 30-610 is a leather safety boot made of first class "Crazy Horse" leather with a robust double density PU sole.

This safety boot is S3 certified, has a steel toecap, steel midsole and scuff cap. The boot is equipped with a waterproof protective membrane that protects the foot and keeps it dry.

Furthermore, the counter provides extra support in the heel and the boot is equipped with quadruple stitching. Finally, this boot is equipped with a high-quality molded PU insole from Safeet.

This allround boot is available in sizes 39 to 48. Conclusion: Safeet keeps your feet safe.
