

SF 20-370 Halden

S3 safety shoe, high model

METAL FREE

DESCRIPTION

The Safeet Halden 20-370 is a full grain leather safety shoe with a duo-density PU sole in sizes 37 to 47. This safety shoe is S3 certified, has a composite nose, kevlar midsole and is "Metal Free". This makes the shoe lighter. Because of the moisture-regulating inner lining it keeps your feet dry. Furthermore the padded tongue and contrefort gives you extra comfort. The front of the shoe consists of 1 piece of leather without stitching. Conclusion: Safeet ensures that you have a sturdy and trouble-free pair of safety shoes to wear.
