ISOTUNES XTRA 2.0 EN 352

Model: IT-25

Color: Safety Red

Product: Noise-isolating in-ear hearing protection device with Bluetooth connectivity for music and phone calls. A rigid neckband and magnetic earbuds keep headphones in place when earbuds are removed. Ultra durable with dust, sweat, and water proof protection. Now with a longer battery life.

Applications: Designed for professionals who work in loud environments and frequently take off their hearing protection. Not well suited for environments where the magnetic earbuds could be caught on a user's surroundings.

Standards and Approvals: This product has been tested and approved to ANSI S3.19-1974 and EN 352-2:2002 standards. It also complies with FCC, CE RED, RoHS, and WEEE requirements.
