

# Safety Eyewear Spectacles Basic Clear AS PSP 28-003

## DESCRIPTION

The PSP 28-003 is our basic safety goggle which is made entirely of clear polycarbonate and provided with anti-scratch coating. This unisex model has a one-piece moulded lens with pre-shaped nose and is suitable for every face.

These glasses offer 99% UV protection, are very lightweight and comfortable to wear thanks to the flexible arms. Versions of this model are also available in 'smoke' (PSP 28-005) and 'yellow' (PSP 28-004).

Article PSP 28-003 complies with the requirements of directive (EU) 2016/425 and with the general requirements of standards EN166:2001 and EN170:2002.
