

Safety Eyewear

Goggles Clear AS + AF

PSP 28-110

DESCRIPTION

The PSP 28-110 is an indirectly ventilated goggle. This gives you excellent vision through the colorless plastic lens, with anti-fog coating. These goggles also have an anti-scratch coating and protect you from coarse dust and liquid splashes.

The ergonomic sealing rim and adjustable head strap ensure a snug fit and increase wearing comfort. These glasses provide 99% UV protection and wear comfortably.

Article PSP 28-110 meets the requirements of Directive (EU) 2016/425 and with the general requirements of EN166:2001 and EN170:2002 standards.
