

DESCRIPTION

The PSP 43-686 First Aid Kit, Type B2 (company) is a first aid kit with a sturdy plastic wall holder. This First Aid Kit is suitable for companies < 10 employees, inland shipping and vehicles. Because these first aid kits are small/compact and complete, they are suitable for commercial vehicles, agricultural vehicles and as additional, supporting first aid kits. In trucks with a load capacity of more than 500 kg, a first-aid kit is mandatory. The first-aid kits come with a wall holder.
