

# Safety Eyewear Spectacles Basic Smoke AS PSP 28-005

## DESCRIPTION

The PSP 28-005 is our basic safety eyewear made entirely of dark-colored Smoke polycarbonate with anti-scratch coating. These unisex safety glasses have a one-piece molded lens with contoured nosepiece and are suitable for any face.

This dark tinted model helps improve eye fatigue in moderate to light conditions. These glasses offer 99% UV protection, are very lightweight and wear comfortably due to the flexible legs. Versions of this model are also available in 'Clear' (PSP 28-003) and 'yellow' (PSP 28-004).

Article PSP 28-005 complies with the requirements of Directive (EU) 2016/425 and with the general requirements of EN166:2001 and EN172:1994 +A1:2000 +A2:2001 standards.
